Dear CALS Sponsor,

On Thursday, June 4th, the Connecticut Association of Land Surveyors will hold its Annual Golf Tournament at Indian Hills Country Club, Newington, CT. This is a wonderful opportunity for you to meet many CALS members and their guests in an informal setting. It is also your chance to feature your company name by sponsoring a hole or contributing an item to a gift bag that will be given to each player the day of the event. Better yet, come and play golf with us and meet everyone in person!

In appreciation for being a sponsor, your company name will be displayed on a large sign at the outing as well as in the CALS newsletter and on our "spiffy", new website.

Please return the form below along with a check and a full-page advertisement.

Thank you,

Kathy
